DEDICATION

MR. STANLEY GORSKI

A 1958 graduate of Bishop Bradley High School, Mr. Gorski started out as a math major, but switched to English in his Junior year at St. Anselm's College. Returning to Bradley in '62, he became known for his optimism which is complimented by his flair for unusual haberdashery, and thus attired, he conducts interesting English classes.

As proof of the esteem he commands, "Stan" was elected one of the four faculty members honored at the faculty appreciation assembly.

His total involvement: in the classroom, on the gym floor, and on the playing fields at Derryfield prompts the yearbook staff to dedicate the 1967 Red and Blue to "Stan", teacher, friend, and coach.
